Welcome to the Future of CouponHub

“The Journey Has Just Begun”

➤ Welcome all members and early supporters of CouponHub!

➤ We are not just building a platform — we’re building an ecosystem of savings, opportunity, and growth.

➤ Today’s session is about updates, upcoming projects, and the long-term vision we’re bringing to life.

➤ You are part of something global, structured, and built to last.

Product Development Update

"The App That Will Redefine Savings"

CouponHub mobile application is **under active development** for both **iOS and Android**.

All major website features will be available — **upload, redeem, earn, and refer**.

Additional premium features are being built exclusively for app users.

Focus on user-friendly design, speed, and global accessibility.

Launch timeline: Testing phase initiated; **beta rollout soon**.

Global Transactions — Now in USDT & INR

"Expanding Financial Access for All"

1

Currently, all transactions are processed in **USDT (BEP20)** to ensure global operability.

2

The **INR payment gateway** has been successfully **set up and is in testing phase.**

3

Required permissions and compliances are underway.

4

INR transactions will **go live next week**, making it easier for our Indian members.

5

Future plan: Add more regional currencies as we expand internationally.

Introducing the CouponHub Membership Card

"Your All-in-One Card for Discounts & Rewards"

Every member will soon receive an **exclusive CouponHub Membership Card**.

Use it at **partnered local and national brands** to get **instant discounts**.

Earn **reward points** on every purchase — redeem them for future discounts or free products.

Exclusive offers for cardholders during festivals and brand campaigns.

Access to **premium deals** that are not available on the app or website.

Future upgrade: **Digital wallet integration and tiered membership (Gold / Platinum)**.

Your membership card = Savings, Status, and Smart Shopping.

E-Commerce Empowerment Program

"Empowering Our Members to Build Their Own Brands"

- We're launching a **dedicated E-Commerce Business Support Program** for all CouponHub members.

- This initiative helps our members **grow with the ecosystem**, not just earn from it.

- Members interested in starting an online business will get:
 - **Personalized guidance** from our e-commerce team.
 - **Brand-building tools** and marketing resources.
 - **Access to our community network** for collaborations and sales support.

- Together, we're building a **community of creators, not just consumers**.

Marketing & Promotional Expansion

"Spreading the Word — Global Awareness Campaign"

➤ ▪ We've already started working on brand awareness and promotional strategies.

- ▪ Campaigns under setup:
- Meta Ads (Facebook & Instagram) for engagement and lead generation.
 - Google Search & Display Ads for visibility.
 - YouTube influencer tie-ups and Instagram reel campaigns.
 - Email & WhatsApp automation for updates and offers.
 - Affiliate & referral content to drive organic growth.

➤ ▪ Our marketing team is focused on sustainable, long-term brand presence — not short-term hype.

➤ ▪ These activities will go live in the coming weeks, scaling our global reach massively.

Platform Growth & Onboarding

"Steady Growth — Building the Foundation for Millions"

Even during setup, **300–400 new members** join us daily.

Ongoing collaborations with **multiple local and national brands.**

A dedicated regional technical team will be mapped to every region — helping members grow, collaborate, and get all the resources they need.

Growing engagement across regions, languages, and communities.

Our focus is on **quality onboarding and active user support.**

The foundation is being built for a platform that will soon onboard **millions worldwide.**

Referral System — Lifetime Earnings

"Your Network, Your Income — Forever"

Our referral system is **infinite and permanent**.

Once you join and subscribe, your **referral structure and earnings stay for life**.

You continue to earn from your network as long as new users join and redeem.

The company's primary revenue comes from **brand collaborations and awareness programs**, ensuring stability.

This means **your income chain is safe and intact — forever**.

The upcoming **subscription price revision** will make early members even more valuable.

Long-Term Vision — Structured, Scalable, Sustainable

"This Is Just the Beginning"

CouponHub is **not a short-term project** of 2–3 months.

This is a **structured startup** with a strong roadmap, professional setup, and scalable systems.

Our aim is to make CouponHub the **go-to global platform for shopping, saving, and earning.**

We're building something that lasts — with you as our foundation.

Those who join early are not just users — they are **partners in the growth story.**

Together, We're Building a Global Revolution in Savings
